CAMPFIRE FUN

To pump some pizzazz into your next campfire gathering, try adding some color to the event with Funky Colored Flames from Winlow Outdoor Experiences.

According to product literature, a packet of Funky Colored Flames placed into the fire will produce a brilliant display of blue, green, and purple flames.

Simply toss the packet into the fire and within minutes the colors will spread naturally through the flames, lasting up to 30 minutes. A box of Funky Colored Flames, which includes three packets, has a manufacturer's suggested retail price of \$5. This product is available at major retailers.

EXTRA-LARGE CHAIR

According to product literature, the Crazy Legs BubbaRiffic chair from Crazy Creek Products Inc. is sure to make any big and tall outdoor enthusiast feel like royalty.

The captain-style chair, which measures 34 inches high, 23.5 inches wide, and 13 inches deep, provides ample sitting room for larger individuals, and is made with strong,

durable materials for a weight capacity of up to 425 pounds.

The BubbaRiffic is a larger version of Crazy Creek's Leisure Swivel Chair. Both include a sturdy tray table on one side and a swiveling table on the other that can be adjusted up, down, and sideways.

The BubbaRiffic, which is available in a variety of colors, has a manufacturer's suggested retail price of \$190.
