

BOARD GAME

According to literature from Paradoxy Products, the New Wave Chess & Checkers set is a highly portable game board that can be played anywhere without the risk of the pieces blowing away.

The corrugated playing board features laser-cut slits in each position into which the flat plastic game pieces are

inserted. Once in place, the pieces reportedly will not move until the player moves them.

New Wave Chess & Checkers comes with both chess and checkers pieces, a carrying case, and storage pouches for the game pieces. It has a manufacturer's suggested retail price of \$12 plus shipping.

MINI LANTERN

According to product information from Coghlan's Ltd., the LED Micro Lantern is the perfect tent or walking lantern that "shines bright and packs light."

The 2-inch-tall lantern features a specially designed conical reflector and Nichia 5-millimeter LED that reportedly is capable of illuminating a 6.5-foot-diameter area. The lantern is small enough to fit in

the palm of one's hand and can be attached to a jacket or pack for portable light. The water-resistant lantern includes a positive-feel button and a flashing mode for emergencies.

The LED Micro Lantern has a manufacturer's suggested retail price of \$7.99 and can be purchased online at www.campingsurvival.com or at Bass Pro Shops, Cabela's, and other outdoor retailers.

MULTI-TOOL CARABINER

The Handy Beaner from Winlow Products provides a number of essential tools in one convenient carabiner.

Besides being used to carry keys and to hook onto carrying bags, the product also includes a knife, file, scissors, and bottle opener. The 3-inch-long

carabiner reportedly can hold up to 55 pounds but cannot be used for climbing purposes.

The Handy Beaner has a manufacturer's suggested retail price of \$5.99 and currently is available at Camping World.
